TARGET MARKET AND POSITIONING

The Epson Expression Home XP-3100, which replaces the Epson Expression Home XP-3100 is the new small-in-one multifunction inkjet printer which delivers high quality printing, scanning and copying results. It is primarily aimed at home users seeking an affordable, easy to use, quality solution for everyday performance.

All-Purpose Small-in-One

Print, copy, scan and more — get all the performance your customer needs from the sleek, quiet, user-friendly Expression Home XP-3100. With easy wireless printing including **Wi-Fi Direct**¹, this Small-in-One can be shared with everyone in their household. **EPSON Connect** offers convenient mobile printing from smartphones, tablets and more². The XP-3100 also supports **Apple AirPrint™** and **Google Cloud Print™**. Scan and archive important documents, quickly produce colour copies, and use the image enhancement tools to get perfect prints, every time. The Expression Home XP-3100 even offers **individual ink cartridges** so users can replace only the colour that they need.

Everyday performance

Stylish, Small-in-One Printer design

The Expression Home XP-3100 offers the best of both worlds: a sleek, compact design with an attractive textured effect on the scan lid and hairline texturing on the control panel in addition to a great range of features. Your customer gets all the tools they need for all their everyday projects, while saving valuable space on their desk.

Wireless access from anywhere in your home

The Expression Home XP-3100 supports the latest wireless standard, 802.11b/g/n, providing greater coverage and faster speeds¹. With **easy Epson Wireless setup**, they can connect to their wireless network in seconds, and with the inclusion of **Wi-Fi Direct**¹ no router is required. Use the Small-in-One Printer from anywhere in their home and share it with multiple PCs.

Print and share from anywhere²

Easily print documents, photos, e-mails and web pages **wirelessly**. Print from the comfort of the couch, the office or even across the globe. Use **Epson Email Print**, the **EPSON iPrint mobile app**, Apple AirPrint or Google Cloud Print to print and share from anywhere. All your customer needs is an EPSON Connect-enabled printer and their smartphone, tablet or computer.

Easy

Easy to use

The Expression Home XP-3100 is ideal for everyday projects with quick setup, plus an intuitive touch panel and **1.44" LCD** for easy navigation

Affordable

Brilliant Results. Great Value.

The Expression Home XP-3100 not only provides brilliant results for the home and office, but also a **smart value choice** for the cost conscious consumer.

With **individual ink cartridges**, users only replace cartridges as needed, rather than the conventional process of having to replace an entire cartridge despite only having consumed one of the many colours it contains. Plus, users can save more by buying the high capacity **212XL** ink cartridges, printing **2.5x more** than the standard capacity³ or save further with the option of purchasing value packs.

Expression Home series

Built to Perform

Powerful performance at great value. That's what makes the Expression Home series so amazing. These affordable, feature-rich **Small-in-One** Printers offer award-winning inkjet technology and great versatility combined with **whisper-quiet printing and scanning**. Users get quality results every time. Ideal for all their everyday projects, these **user-friendly** performers make it easy to print and share from anywhere.

CoverPlus

The Epson Expression® Home XP-3100 is backed by a 1 Year Return-to-Base Epson CoverPlus service pack.

2 Year Return to Base Epson CoverPlus provides additional two years; covering parts, labour & on-going technical support.

1. Wi-Fi CERTIFIED, level of performance subject to the range of the router being used. Visit www.wi-fi.org/files/11nbasics_glossary.pdf for more information. Wi-Fi Direct may require printer software.
2. Most features require an internet connection to the printer, as well as an internet and/or email enabled device. See www.epson.com/connect for a list of Epson Connect enabled printer and compatible devices and apps.
3. Approximately 2.5 times more prints per cartridge compared with the model 212 standard capacity ink cartridge
