Fast and reliable
The ADS-3300W desktop document scanner combines high-functionality with a simple, compact design and low-cost footprint.

Simple and intuitive
With a user-friendly interface, intuitive 7.1cm touchscreen and one-touch scanning, you'll be up and running in minutes so you can focus on business-critical tasks.

Industry recognised software
The availability of Kofax and NewSoft at your fingertips sets you up for success by maximising your post-scanning productivity with software that integrates seamlessly with your scanner.

Convenient connectivity options
Scan your documents securely and conveniently using a host of wireless and wired connectivity options. Use USB 3.0, USB host, or connect via Wi-Fi to scan without connecting to a computer.

Advanced image capture and processing
With Optical Character Recognition (OCR) that transforms paper documents into actionable data, and optimising image quality through automatic vertical streaks, moiré reduction, and document separation functionality, the ADS-3300W makes image capture and processing effortless.

High-performance scanning tools backed by Brother
Experience the latest in professional scanning software - ScanEssentials Lite is a high-performance scanning tool that allows you to not only scan documents, but also create workflows and save them securely to your network without fuss.

Brother's *at your side* support
Wherever you are in Australia, Brother offers free product support for the lifetime of your product.
